

**You'll enjoy the sport of rolling 'em with P. A.!**

**F**IRST thing you do next—go get some makin's papers and some Prince Albert tobacco and puff away on a home made cigarette that will hit on all your smoke cylinders!

No use sitting-by and saying maybe you'll cash this hunch tomorrow. Do it while the going's good, for man-o-man, you can't figure out what you're passing by! Such flavor, such coolness, such more-ish-ness—well, the only way to get the words emphatic enough is to go to it and know yourself!

And, besides Prince Albert's delightful flavor, there's its freedom from bite and parch which is cut out by our exclusive patented process! Certainly—you smoke P. A. from sun up till you slip between the sheets without a comeback.

Prince Albert is the tobacco that revolutionized pipe smoking. If you never could smoke a pipe—forget it! You can—AND YOU WILL—if you use Prince Albert for packing! It's a smoke revelation in a jimmy pipe or a cigarette!

Prince Albert is sold in tippy red bags, tidy red tins, handsome pound and half pound tin humidors and in the pound crystal glass humidor with sponge moistener top.

## THE GREAT NEED OF CHRISTIAN EDUCATION.

"Ten years are required to educate a 'crop of children,' but it will be twenty years before the full effect of the Christian education movement, backed by the Protestant denominations of America, for which vast sums of money have been and are being collected, will be experienced," said Mrs. J. H. McCoy, of Nashville, Tenn., widow of the

late Bishop J. H. McCoy, in a recent address in behalf of the Christian Education movement of the Methodist Episcopal Church, South.

Mrs. McCoy said in part: "We need strong leaders in all walks of our national life, inspired by Christian education. The world never had such an ignorant type of persons now presenting themselves for leaders of people. Think what it would mean to have leaders in public conduct in the affairs of government

according to Christian principles. Only Christian education as planned by the churches can remedy the evils of times. We need to go at it systematically for it takes ten years to educate a crop of children. If the church schools put forth their utmost endeavors and are supported in full measure as they should be by all the members of all the churches we can experience the full effect in twenty years from now."

The Christian education move-

ment of the Southern Methodist church maintains institutions of learning. It proposed to make an expenditure of \$33,000,000 in order to bring these schools and colleges to a point of efficiency where they will adequately serve their constituency. Leaders here state that more than 4,000 young men and women were turned away from Methodist schools last year.

## CARDUI HELPED REGAIN STRENGTH

**Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.**

Paint Rock, Ala.—Mrs. G. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones did the work. I was almost dead. I tried everything I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women did, take Cardui. It may help you, too. At all druggists.
